

VILLAGE GREEN OF BRADENTON CONDOMINIUM ASSOCIATION SECTION 9, INC.

POOL RULES AND REGULATIONS

1. Residents are responsible for the behavior of their guests at the pool and throughout our community. This includes allowing the residents to enjoy the pool without individuals creating excessive noise and/or damage to our pool areas.
2. All people are urged not to use the pool alone or during thunderstorms. Non-swimmers should be accompanied by a responsible adult
3. All of the people using the pool take a shower before entering. Shoes are to be worn to the pool and feet rinsed before entering.
4. All people using suntan lotions or other oily substances must shower before entering the pool; use beach towels to protect the furniture and leave the furniture completely clean for the next user.
5. All pool equipment is to be used only for its intended purpose. The cooperation of all users is requested in keeping the furniture attractive and attractively arranged.
6. Toys and exercise equipment are permitted in the pool. Always be considerate of other pool users. Small toys (e.g. balls) are not permitted as they can become caught and damage the filter system.
7. Glass and other breakable substances are strictly prohibited around the pool and ramada area.
8. Persons having an infectious or communicable disease are prohibited from using the pool. People having open blisters, cuts etc. must not use the pool.
9. Running, boisterous or rough play and excessive noise are forbidden in the pool area, showers and restrooms.
10. Users of the pool area should place trash in the receptacles provided.
11. Swimmers may disconnect the lifeline while using the pool but must reconnect it before leaving. Swimmers shall not sit or play on the flotation lifeline.
